

NAC launches a spot on hotlines for reporting electoral corruption

The National Anti-corruption Centre (NAC) reminds about the activation of two telephone lines for receiving reports on electoral corruption cases, illegal financing of political parties, attempts to illegally influence voters or other suspicious actions in the electoral context.

Thus, citizens who have information about such facts are encouraged to immediately report these actions, calling:

1. NAC Hotline – (+373) 78 710 116, available 24/24, including from abroad, through audio/video calls, SMS and the Viber, Signal, Telegram and WhatsApp applications.
2. National Anti-corruption Line – 0800 55555 with free calls from the territory of the Republic of Moldova.

Notify the NAC if you have observed or know about:

- attempts to buy votes,
- offering money or other benefits for participation as observers, members of electoral bureaus or other political activities,
- recruitment, in exchange for illicit remuneration, into obscure organizations or groups with electoral purposes.
